

GIANT
PHARMACY

Your Health Is Our Priority

BCHIP and Giant Pharmacy have partnered to bring valuable health education to Bucks County residents. From Snack & Learns to reviewing vaccine history one on one, we provide information to keep residents healthy this respiratory virus season!

Snack & Learn

BCHIP & Giant Pharmacist offer educational programs on RSV, Pneumonia, Flu and how to stay healthy and prevent these viruses from spreading

Vaccine History

Our Giant Pharmacy partner can review your vaccine history with you & provide you with a current record. The Pharmacist can also recommend any age appropriate vaccines that should be discussed with your primary care provider

Medication Review

Bring your medications in to be checked by the pharmacist so you are aware of what each one is and what it does for your health. This is a great opportunity to ask any questions you may have about your medications
